

Your Name

Advisor: Dr. So and So

New URA, Semester & Year

Title of Proposal

Introductory statement & current knowledge (4-6 sentences):

Define the gap in current knowledge or unmet need that this project/proposal will address (2-4 sentences):

Long-term goal of project (1-2 sentences)

Central hypothesis & rationale (2-4 sentences)

Objective of this proposal (1-2 sentences)

We plan to (test our hypothesis, and/or accomplish our objective) by pursuing two specific aims:

1. List aim 1, and briefly describe research approach for completing the aim (2-4 sentences)
2. List aim 2, and briefly describe research approach for completing the aim (2-4 sentences)

Expected outcomes, significance, and impact (2-4 sentences)

[Proposal's length must not exceed one page]

Instructions

You should be able to fill one page, but do not exceed one page.

Font of proposal should be 11–12 pt, Times or Arial or Helvetica.

Document margins should be 0.75–1.0 inches.

References are not required. If you choose to include references, no more than three are allowed.

Save the file as a PDF for submission with filename: YourName_NewURA_Term&Year.pdf

Term should be F, W, or S (Fall, Winter, Spring/Summer). Put the last two digits for the year.

Example file name: HattieMcCoy_NewURA_W20.pdf

Not following the instructions in this template may result in disqualification from receiving a URA.

URA MENTORING PLAN

URA applicant:
BYU faculty mentor:
Semester of study:

Proposal Title:

Specific Aims (optional): 1) *(list aim here)*
2) *(list aim here)*

Mentoring Plan:

Describe how the student will be mentored and guided through their experiential learning processes. For example...

- What are the expectations for the URA student? for the faculty member? for other individuals involved in mentoring the URA student?
- How will the URA student's research activities be structured? What research skills will they learn or use?
- What mechanisms of accountability and reporting will be used?
- What opportunities will the student have to develop their presentation and communication skills?
- How will the mentor(s) ensure that the URA experience is helping the student achieve the student's personal goals?

URA Student signature

Faculty signature

Other mentor signature (optional)
